Ralph Hill is a well known, veteran 4-star eventer extraordinaire. Ralph grew up in Chester County, PA and developed riding skills at an early age. Ralph knows horses in and out. As a one rider in the last clinic said “Ralph must be part horse!” New horse, old horse, young horse, small horse – he will figure them out. Since the ROLEX Kentucky competition’s inception in 1978, Ralph Hill was the only rider to have participated in every single event leading up to his injury in 2007....hence he is known as the “King of Rolex.” Ralph has trained and ridden many horses to the highest level, as well as coached riders to the top. He is an *excellent* clinician always finding the smallest things that will help develop the skills of both the horse and rider.
